

Blur Products LLC Return Policy

At Blur Products LLC, we are committed to providing our customers with high-quality products and services. To ensure transparency and consistency, the following policy governs all return and exchange requests:

1. General Policy

- All sales are final for all products sold by Blur Products LLC.
- All requests for a return or exchange will be reviewed by Blur Products LLC and are subject to the sole discretion of the Blur Products LLC Team.
- A credit note may be issued for qualifying orders; issuance of a credit note is not guaranteed and remains solely at the discretion of Blur Products LLC.

2. Eligibility for Credit Notes

- Requests must be submitted in writing within 30 days of delivery of the order.
- Only products that are unopened, unused, and undamaged are eligible for consideration.
- Credit notes, if granted, may only be applied toward future purchases with Blur Products LLC.

3. Non-Returnable Items

- Opened, used, or damaged products are not eligible for a credit note.
- Shipping delays or discrepancies do not qualify for a credit note and will only be considered if expressly approved in writing by Blur Products LLC.
- Orders impacted by changes in law, regulation, or government policy after fulfillment do not qualify for a credit note unless expressly approved in writing by Blur Products LLC.

4. Approval Process

- Upon receipt of a request, the Blur Products LLC Team will review the case.
- Approval or denial will be communicated in writing.
- No credit notes will be issued without this written approval.

5. Processing of Approved Credit Notes

- If a credit note is approved, it will be issued within 10–14 business days from the date of written approval.
- Credit notes will be sent electronically and may only be applied toward future purchases with Blur Products LLC.

6. Ownership Discretion

- Blur Products LLC reserves the right to deny any return, exchange, or credit note request at its sole discretion.
- Approval of one request does not guarantee approval of future requests.
